FOURTEEN TO ONE.

Common Cabbage Plant Develops Cluster of Heads.

Mr. R. S. Gary, of South Christian, on Saturday brought to this office a cabbage stalk which is quite a curiosity. The freak head is made out of fourteen small ones, all well developed and ready for the pot. The cluster is perfect in shape and each head is on a separate stem. The bunch weighs two and a quarter pounds and is shaped like a 'sugar loaf'. The cabbage is of the summer variety and was cut from a patch in Mr. Gary's garden.

ASSOCIATION NO. 10.

Stationery Engineers Hold an Election Here.

The Hopkinsville Stationary Engineers' Association, No. 10, elected officers for the ensuing six months, as follows: President, J. A. Morris; Vice President, J. L. Harpole; Corresponding Secretary, John J. Metcalfe, Recording Secretary, M. H. McGrew, Financial Secretary and Treasurer, E. Dinneen; Doorkeeper, H. E. Jenkins; Conductor, Ben Bagby.

Another Belt Line?

Engineers were surveying around the northern portion of the city last week. It will be remembered that the first belt line spoken of was to run from the I. C. by way of Dalton Bros. brick yard, and run near the L. & N. to a point beyond the river. Everybody seems to be as dumb as an oyster in regard to what the new survey means and who is having it done, but as it is known that Dalton Bros. want a line running from their yards to connect with both roads, it is presumed that this line is the original one contemplated.

Wedding Near Town.

Mr. James Oaks and Miss Minnie B. Thomas, young people living near the city, were united in marriage Saturday. The ceremony was performed by Judge James Breathitt, in the county clerk's office.

John Cheaney, murder, life; Gene Duffy, col., voluntary manslaughter, 21 years; Bobb Simms, attempting to rape, five years.

The men were placed in the penitentiary Sunday morning at 10 o'clock, and the sheriff returned home the same day.

AMERICANS ARE KILLED

Terrible Railroad Wreck at Salisbury, England.

TWENTY-SEVEN DEAD.

Chas. F. McMeekin, of Lexington, Ky., one of the Victims.

Salisbury, England, July 1.—Driving at a mad pace over the London Southeastern railway, the American Line express, carrying forty-three of the steamer New York's passengers from Plymouth to London, plunged from the track just after passing the station here, at 1:57 this morning, and mangled to death in its wreckage twenty-three passengers, who sailed from New York June 23, and four of the trainmen. Besides those to whom death came speedily, a dozen persons were injured, some of them seriously.

The dead include Frederick Henry Cossitt, Dudley P. Harding, the Rev. E. L. King, Toronto; Frank W. Koch, John E. McDonald, C. F. McMeekin, of Lexington, Chas. Sentell and William Thompson. Mayor McClellan had a narrow escape. The train was going over sixty miles an hour when the "smashup" came.

DRY GOODS STORES

Will Close Their Houses Tomorrow and Take Holiday.

All the dry goods and clothing stores will be closed tomorrow. If you should need anything in the dry goods line or groceries of any kind, make your purchases today or make up your mind to do without until Thursday. The grocerymen, who made their announcement Saturday, and the dry goods and clothing men have done something that should have been the rule a quarter of a century ago, and it is to be hoped that the precedent will be kept up in the future, and that all other business men will fall into line.
